Dear all,

This is to inform you all that your participation in workshop on \* Soft Skills in Transportation Engineering \* has been confirmed .

**Details of the Workshop are as follows**

**Date:** 6th march 2020

**Time:** 9:30 am - 4:00 pm

**Venue:** I2IM , Lab 1 Ground Floor

**kindly remain present at the venue by 9:15 am without fail**

**Note:**

You may come up with some knowledge about excel and mathematics tools like mean, mode, median, standard deviation, regression and can refer some papers on SPSS so that you will understand the things very easily. For your reference, I am attaching some research papers for your reference

Dear All,

It gives me immense pleasure to announce you all that M. S. Patel Department of Civil Engineering is organising a One day workshop on "Soft Skills in Transportation Engineering" in which Hands-on-session on **SPSS software** will be conducted.

The main aim of conducting this workshop is to make awareness about how the huge amount of data in traffic engineering is handled by using statistical tools. This workshop is mainly focussed on third and final year students ( Only 30 participants will be allowed to attend the workshop)

**Details of the Workshop are as follows****Date:** 6th march 2020**Time:** 9:30 am - 4:00 pm**Venue:** I2IM , Lab 1

Interested faculty may register themselves for the workshop through the link below

**Summary of the Event:**

To utilize the lockdown time of COVID-19 for knowledge enhancement and spreading awareness among Graduate Engineer Trainees, M.S. Patel department of civil engineering had organized a webinar on "Campus to Work Place". From Final Year B. Tech students of 2019-20, 23 participants have attended the webinar on "Zoom" platform. The expert explained the actual scenario and feeling of GETs in detailed. Also about the role and responsibilities of GETs, Attributes of engineers, Expectation of Leaders at different levels, perspective views of same situation etc.

Later he discussed briefly about the Rules of Jobs, what a graduate engineers looks for? How a Civil Engineer can be employed, Objective and 4Ms of construction management, Attributes of site inspector/engineer etc.

By this webinar, participants have learned about the future scopes of civil engineering, roles & responsibilities of GETs, expectations from leaders at different levels, GETs future prospects, attributes of engineers, etc. which will definitely help them in their personal & professional life.

Thus, the session was very engaging, informative, insightful, interesting, motivational and was found to be fruitful for B. Tech Civil students.

<b>Resource person details (if any):</b>	Dr. Vijaykumar Chaudhary (HoD-ME), Dr. Vijay Panchal (HoD-CL), Dr. Trushit Upadhyay (HoD-EC), Dr. Parth Shah (HoD-IT), Dr. Ritesh Patel (HoD-CE), Dr. Nilay Patel (HoD-EE)

**Summary of the Event:**

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15<sup>th</sup> July, 2019 to 25<sup>th</sup> July, 2019. The main objective of the program is to develop strong bonding between students and the institute.

The respective department has arrange HOD interaction with the students. They deeply explain about the CHARUSAT and the Department regarding rules and regulation, grading system of the university. They also describe the various lab facilities available at CSPIT College. Also inform them about the regularity and importance of attendance. The main purpose of this interaction was to give Brief scope of Engineering & research in various fields and to make aware of various facilities available at the institutes.

In the Interaction with senior's session, they gave the information about the events like technical event Cognize & cultural event Spoural. The Interaction with senior's activity helps to improve the soft skill of students like team building, working as a team member and leader, group discussion on different Events. Because of this activity so many students interacted with each other and also 1st year student shared some innovative ideas about the events.

Students were taken to Amul Dairy plant and Amul Chocolate Plant for their first industrial visit as a part of their orientation program. The industrial visit begun with the gathering of student at

CSPIT building and then all the students of 1st semester were taken to Amul Dairy, students and faculties were warmly welcomed by the team members of Amul. At dairy, students visited the different places like Dr. Vergese Kurien Memorial, Amul Dairy Museum, Amul Dairy Factory – Milk Silo units, Butter making and packaging unit, GPS based tracking system, IT Division etc. Also the students were made aware about the automation system used for processing of milk items. After visiting Amul Dairy plant, students and faculties visited chocolate plant on the same day. At chocolate plant, instructors gave us information about the material used to make chocolate, the collecting process of material, procedure of making chocolate and also the different types of chocolates that Amul export worldwide. Students really enjoyed their visit to Amul.

The final session of Commencement Program for the newly admitted undergraduate students of Bachelor of Engineering was concluded by prof. Ashwin Makwana as head of career development and placement cell of CHARUSAT University. He has more than 9 years of experience in academic area as well as placement cell of CHARUSAT University. During the beginning of the session, he briefed about what is training, what is placement and what is the importance of the placement after completion of student's degree program. He also provided the information about the internship during academic year. He enlightened, what kind of characteristics candidate need to have for placement processes. He provided the information about selection criteria of the various company and their preplacement talk. He also enlisted about the various company which are conducting the placement drive at CHARUSAT university. The concluding part of entire session was CDPC provides a platform for career development of students on behalf of the CHARUSAT University.

### Day 1 Activity Report

<b>Session: 1</b>	Registration of Students		
<b>Date:</b> 15 July 2019	<b>Day:</b> 1	<b>Time:</b> 9.10 to 11.10	<b>Venue:</b> DEPSTAR

#### Summary of Session-1:

The Commencement Programme for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. Students and their parents were formally welcomed and introduced to the culture of the campus and University.

The Commencement Programme began with the registration process of students at respective registration desks of various departments. Students along with their parents/guardians were greeted by welcome slide on the television at the Institute. Arrangements for the breakfast of the students and parents were made at the venue. Students were given “Commencement Programme Schedule” after getting registered. Faculty member’s present at the desk guided students to reach at respective venue for the introduction program.

<b>Session: 2</b>   e-Governance	
<b>Date:</b> 15 July 2019	<b>Day:</b> 1
<b>Time:</b> 12.10 to 01.10	<b>Venue:</b> DEPSTAR Seminar Hall

### Summary of Session-2:

Newly admitted students were introduced to e-Governance system. Students were informed how to use the system; so that the students will feel more confident about using it. The Students were introduced to various modules of the e-Governance system like Profile, Course Registration, Exam Results, Faculty Feedback, Fess Payment and Attendance. Demonstration on how to use the each and every module was covered in detail in this session; so that the students can utilize the system optimally and have maximum benefits of information provided by e-Governance system. The session was successfully coordinated by all batch counselors of first year.

### Daily Activity Report

Industrial Visit			
<b>Date:</b> 16 July 2019	<b>Day:</b> 2	<b>Time:</b> 9.10 to 4:00	<b>Venue:</b> Amul Dairy Plant and Chocolate Plant

#### Summary of Session:

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. On the day two, 16<sup>th</sup> July 2019 students were taken to Amul Dairy plant and Amul Chocolate Plant for their first industrial visit as a part of their orientation program.

The industrial visit begun with the gathering of student at DEPSTAR building and then all the students of 1<sup>st</sup> semester were taken to Amul Dairy, students and faculties were warmly welcomed by the team members of Amul. At dairy, students visited the different places like Dr. Vergese Kurien Memorial, Amul Dairy Museum, Amul Dairy Factory – Milk Silo units, Butter making and packaging unit, GPS based tracking system, IT Division etc.

Also the students were made aware about the automation system used for processing of milk items. After visiting Amul Dairy plant, students and faculties visited chocolate plant on the same day. At chocolate plant, instructors gave us information about the material used to make chocolate, the collecting process of material, procedure of making chocolate and also the different types of chocolates that Amul export worldwide. Students really enjoyed their visit to Amul.

### Day 3 Activity Report

<b>Session : 1</b>	Departmental Presentation		
<b>Date:</b> 17 July 2019	<b>Day :</b> 3	<b>Time:</b> 09.30 to 10:30	<b>Venue:</b> RPCP Auditorium

#### Summary of Session - 1:

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. On the day 3<sup>rd</sup> day the departmental representatives, Mrs. Dweepna Garg and Mr. Parth Gohel, interact with the students.

They deeply explain about the charusat university rules and regulation, grading system of the university. They also describe the various lab facilities available at DEPSTAR College. Also inform them about the regularity and importance of attendance.

<b>Session : 2</b>	Meet Your Seniors		
<b>Date:</b> 17 July 2019	<b>Day :</b> 3	<b>Time:</b> 10.30 to 11:30	<b>Venue:</b> RPCP Auditorium

### Summary of Session - 2:

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. On the day 3<sup>rd</sup> day (17 July 2019) students are meet there seniors. All the branches (CE,CSE,IT) seniors are present in the RPCP Auditorium.

In this Meet your seniors activity each class of seniors are interact with the 1<sup>st</sup> year students. They are sharing their Experience. In this Activity Seniors are gave the information about the events like Cognize & Spoural. After that, they are also give such nice performance like dance, singing a song, and poetry.

The Meet your senior activity helps to improve the soft skill of students like team building, working as a team member and leader, group discussion on different Events. Because of this activity so many students are interact with each other and also 1<sup>st</sup> year student sharing some innovative idea about the events.

### Summary of 2<sup>nd</sup> Session:

The Commencement Program for the newly admitted undergraduate students of Bachelor of Engineering was organized by Charusat University of science and Technology from 15th July 2019 to 26th July, 2019. On the day 3 (i.e. on 17<sup>th</sup> July 2019) students are encouraged to participate in Fun activity as a part of their orientation program.

For student we organized fun activity as “Dumb Charades”, “Marketing Plan Game” & “Blind Drawing by Blind Guiding”. In this activity each class of students is divided into groups or two persons in each team. This fun activity is an activity which is based on the brain exercise, by this student learn new explanation thing in day to day life and also realize like blind and deaf people in word.

### Day 5 Activity Report

<b>Session: 1</b>	Human Resource Development Centre		
<b>Date: 19 July 2019</b>	<b>Day: 5</b>	<b>Time: 9:10 am to 1:15 pm</b>	<b>Venue: PDPIAS</b>

#### Summary of Session:

The Commencement Programed for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. On Day-5, dated 19 July 2019 Students of CE department, CSE department and IT Department and their parents were formally welcomed by Prof. Dr. Kamal Chakravartty, Head of B. I. Patel Human Resource Development Centre.

Prof. Dr. Kamal Chakravartty shared some of the best experience of him at Charusat University along with some of the personal experience of his life. Then after he presented various development activities and programs for Students, Professors, administrative staff members, and peons which is been organized by Pri. B. I. Patel Human Resource Development Centre.

Prof. Dr. Kamal Chakravartty introduced Mr. Sumit Ghosal, a Consultant Psychiatrist. Mr. sumit Ghosal gives detailed information about students mental health at the age of 18 to 24. Moreover, Mr. Ghosal introduced Student Wellness Program (SWP) and how this program help students in uncertain phase of life. SWP run by Pri. B. I. Patel Human Resource Development Centre at the university.

This Session improves the knowledge of HRDC Activity and SWP Program that are run in the CHARUSAT University.

<b>Session : 2</b>	Fun Sport		
<b>Date:</b> 19 <sup>th</sup> July 2019	<b>Day:</b> 5 (CE)	<b>Time:</b> 02:20 pm to 04:20 pm	<b>Venue:</b> Classroom CE-707 & 708

### Summary of Session:

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charusat University of science and Technology from 15th July, 2019 to 26th July, 2019. On the day 5 (i.e. on 19<sup>th</sup> July 2019) students are encourage to participate in Fun Sport activity as a part of their orientation program.

For student we organized fun sport event as “Musical Chair”. In this activity each class of students is divided into six groups. In each group there were seven student, out of all seven one will be selected winner after round. So after six round we found 6 winner. Again they played and one winner is selected.

As a game of Musical Chairs progresses, student must learn to deal with the frustration of being out of the game, therefore practicing patience and waiting graciously. They must also learn to use their words to work out arguments about whose chair is whose or who got there “first”.

### Day 7 Activity Report

<b>Session : 1</b>	Mind Map		
<b>Date :</b> 23 <sup>th</sup> July 2013	<b>Day :</b> 7	<b>Time:</b> 9.10 to 11:30	<b>Venue:</b> Classroom 722 &707

#### Summary of Session:

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. On the day 7 and day 8 (i.e. on 23<sup>th</sup> & 24<sup>th</sup> July 2019) students are encourage to participate in Mind Map activity. On the 7<sup>th</sup> day (i.e. on 23<sup>th</sup> July) CE students are participated in Mind Map Activity and on next day (i.e. on 24<sup>th</sup> July) CSE and IT students are involve in same Mind Map activity as a part of their orientation program.

In this Mind Map activity each class of students is divided into three groups. After that, a 5 page activity document is distributed in each of these groups. This activity document consist of 5 different activities as General Knowledge Quiz, Reasoning Test, Basic Math's problems, Quiz on Current affairs and Logo designing.

The Mind Map activity helps to improve the soft skill of students like team building, working as a team member and leader, group discussion on Current affairs and General Knowledge which results in quiz solution base on it. And this activity also motivated the creativity among the students through logo designing.

<b>Session:</b> 3	Developer Students Club		
<b>Date:</b> 23 July 2019	<b>Day:</b> 7	<b>Time:</b> 2.30 to 4.20	<b>Venue:</b> PDPIAS

**Summary of Session:**

The Commencement Programed for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15 July 2019 to 26 July 2019. On Day-7, dated 23 July 2019 Students of CE department, CSE department and IT Department were formally welcomed by the members of Developer Students Club (DSC).

Developer Students Club runs by the students and for the students. Mr. Rohan Gandhi, a Tech Advisor of Developer Students Club talked on the topic of “Intern Hotspot – Importance of Internship”. He also gives the details of projects that are developed by him and his team. Then He introduced Mr. Shivam Somapura, an android developer of DSC. He shared his own experience and journey of becoming an android developer. Moreover, he motivate students to work on innovative ideas and projects.

Mr. Priyank Shah, Lead of Developer Students Club came and talked about how the DSC is formed in charusat university and with various projects and workshops organized by the Developer Students Club, after that he introduced other DSC’s Technical Teams. At last, DSC team organized real time quiz. In which students participated in the quiz and gave answers using their own smartphones.

This Session motivates students to work on innovative projects and improves the knowledge of latest trends and technologies of the computer world.

### Day 8 Activity Report

<b>Session:</b> 1	Physics		
<b>Date:</b> 24rd July 2019	<b>Day:</b> 8	<b>Time:</b> 9.10 to 11.10	<b>Venue:</b> CSPIT (Room No 707 & 708)

#### Summary of Session-1:

The Session 1 of Day 7 began with the Physics related activity carried out by the professors of the physics department. Students were separated into 2 classes 707 (CE 1) and 708 (CE 2). Batch Counselors and student volunteers were present to help the task carry out smoothly.

The activity was carried out by further dividing the students into groups of 4 and were given kit containing clay material and stationery items. Students were asked to form shapes like Cylinder, Cone, and Cube etc. of the clay material that was provided to them. Further, they were told to note the dimensions of the shape formed and also calculate various parameters like area and volume. Finally, the accuracy obtained in calculation by different groups in was noted and students were made aware about mistakes made by them in calculation.

<b>Session: 2</b>	Motivational Talk 1		
<b>Date:</b> 24 <sup>th</sup> July 2019	<b>Day:</b> 8	<b>Time:</b> 12:15 To 02:15	<b>Venue :</b> CMPICA

### Summary of Session:

Mr. Himanshu Thakkar interact with the students and give the brief idea about how to communicate with the other persons, how they can improve their communication skills and at the time of placement what things they have to remember.

They gives noble idea to improve their English language. For that they told student to interact with their friends and faculty in English only. For some time they are not able to communicate but after long times it effect.

Next they give some short brain storming question to student which is used in Aptitude test, placement examination. Also, they give brief idea about how Placement Company take the exam and what criteria they follow for selection. They gives some example of it.

#### Summary of Session-1:

The Commencement Program for the newly admitted undergraduate students of Bachelors of Engineering was organized by Charotar University of science and Technology from 15th July, 2019 to 26th July, 2019. On the 9<sup>th</sup> day of the commencement program, students were encouraged to participate in Quiz as a part of their orientation program.

The students were given a quiz of 50 questions. The time limit for the quiz was an hour. The questions of the quiz included topics like basics of computer, latest technologies, reasoning, aptitude and general knowledge. Quiz was well managed by faculty and student volunteers. At the end of the quiz, a prize was given to the winner as a token of encouragement.

### Summary of Session-3:

The final session of Commencement Program of Day 9 for the newly admitted undergraduate students of Bachelor of Engineering was concluded by prof. Ashwin Makwana as head of career development and placement cell of CHARUSAT University. He has more than 9 years of experience in academic area as well as placement cell of CHARUSAT university.

During the beginning of the session he talked about what is training, what is placement and what is the important of the placement after completion of student's degree program. He also provides the information about the internship during academic year. He was delivered various company of for the all deferent engineering branches. He also provides what kind of characteristics do have the candidate for placement processes. He provides the information abut selection criteria of the various company and their preplacement take. He also introduced the various company which are conducting the placement drive at CHARUSAT university and the company likes MNCs, Indian Navy, GSFC and many more.

The concluding part of entire session is CDPC provide garnet to student for the placement on b half of the CHARUSAT University

<b>Session: 1</b>	Fun with Physics		
<b>Date:</b> 23 October 2020	<b>Day:</b> 1	<b>Time:</b> 10.00 to 10.30	<b>Venue:</b> Microsoft Team

#### Summary of Session-1:

The Session 1 of Day 1 began with the Physics related activity carried out by the professors of the physics department. The activity was carried out by asking some different interesting questions. Faculties were given different kind of ideas and students were performed on the given task. They were told to note the dimensions of the shape formed and also calculate various parameters like area and volume. Finally, the accuracy obtained in calculation by different groups in was noted and students were made aware about mistakes made by them in calculation. Students were guided by the faculties for Tod Fod Jod activity. Online evaluation done by the session coordinator. Total 91 students were present during the session.

<b>Session: 2</b>	Understanding Sustainability		
<b>Date:</b> 23 October 2020	<b>Day:</b> 1	<b>Time:</b> 10:40 to 12:15	<b>Venue :</b> Microsoft Team

#### Summary of Session-2:

Dr. Hiteshri Shastri interact with the students and gave the brief idea about Sustainability, she explain that Sustainability focuses on meeting the needs of the present without compromising the ability of future generations to meet their needs. Investors can be wary of companies that commit to sustainability. Although the optics can be beneficial to share price, investors worry about companies being transparent with their earnings results. Big brands often make pledges to sustainability, but it often takes a long time to achieve sustainability goals. Sustainability encourages businesses to frame decisions in terms of environmental, social, and human impact for the long-term, rather than on short-term gains such as next quarter's earnings report. It influences them to consider more factors than simply the immediate profit or loss involved. Her explanation was amazing and students were enjoyed the whole session. Total 91 students were present during the session.

<b>Session: 3</b>	The Quest for Creativity		
<b>Date: 23 October 2020</b>	<b>Day: 1</b>	<b>Time: 01.20 To 01.50</b>	<b>Venue : Microsoft Team</b>

### Summary of Session-3:

Dr Pankaj Joshi, Provost, CHARUSAT interact with the students and gave the brief idea about The Quest for Creativity, He explained that every hardworking designer or creative entrepreneur struggles with time and energy to create good work. To find a solution to this, you have to break the patterns. Doing so, he was shared a story with all the students about how started out with quest for creativity, He explained that is because it makes life infinitely interesting and fulfilling. Creativity is a way of living life that embraces originality and makes unique connections between seemingly disparate ideas. The most creative people find ways around obstacles because they see them not just as roadblocks but also as opportunities. He explained about Eco-system services and its benefits. Total 91 students were present during the session.

<b>Session: 4</b>	Innovation in Engineering - Think Out of the Box		
<b>Date: 23 October 2020</b>	<b>Day: 1</b>	<b>Time: 02.00 To 03.30</b>	<b>Venue : Microsoft Team</b>

### Summary of Session-4:

Mr. Nisarg Mehta, Vadodara Innovation Council interact with the students and give the brief idea about Innovation in Engineering. He explained some fruitful points regarding the Innovation in Engineering. He explained that Engineers are essentially inventors for the future Innovation and entrepreneurship are key drivers in today's engineering world, and the push for sustainable products, services and technologies is needed now more than ever. From global corporations to small businesses, national governments to local governments, many are avidly searching for ways to come up with sustainable solutions to combat pressing environmental challenges. So, when it comes to innovation in engineering, it's never been more critical. You'd be mistaken for thinking engineering is all about working with a rational and logical process with no room for creativity, when in fact engineering and innovation go hand in hand. Innovation is a great influence on the growth and survival of today's engineering world, which is why its important higher education institutions are committed to the teaching of innovation and entrepreneurship. Total 91 students were present during the session.

## Day 2 Activity Report

<b>Session: 1</b>	Highlights of Institute		
<b>Date:</b> 24 October 2020	<b>Day:</b> 2	<b>Time:</b> 10.00 to 10.30	<b>Venue:</b> Microsoft Teams

### Summary of Session-1:

The second day of Commencement Programme for newly admitted undergraduate students of Bachelors of Engineering was started with the session entitled “Highlights of Institute”. The Session was given by Dean and Principal Dr. Amit P. Ganatra and coordinated by Dr. Dweepna Garg, I/C Head of Computer Engineering Department. Total 96 students were present during the session.

Dr. Amit Ganatra presented brief overview about the journey and the progress made by DEPSTAR since its establishment in 2017. He talked about the holistic development provided by the institute to the students for their growth in all the aspect such as communication skill, leadership skill, and interpersonal skills. Students were also made aware about various career oriented certification courses, placement activities and research activities carried out by the institute. Apart from academics, Sir also introduced other activities like Cognizance, Spoural, and Students’ clubs. As we believe that knowledge can be gathered not only from the books, Sir made aware students about the industrial visit organized by the institute and the importance of that visits.

<b>Session: 2</b>	Career Opportunities in Engineering		
<b>Date:</b> 24 October 2020	<b>Day:</b> 2	<b>Time:</b> 10.40 to 12.15	<b>Venue:</b> Microsoft Teams

### Summary of Session-2:

Charotar University of Science and Technology (CHARUSAT) believes in producing graduates with impactful employability skills. Towards this, a dedicated University level Career Development and Placement Cell (CDPC) has been constituted for serving students of all the programmes of Charusat. Out of several activities of CDPC, one activity is to help and facilitate students to obtain job placements. Session was conducted by Dr. Ashwin Makwana. Total 96 students were present during the session.

Dr. Ashwin Makwana introduced various activities carried out to make student employable like Professional Readiness Programme, Aptitude Preparation, Technical and soft skill expert sessions, domain knowledge sessions by industry experts and mock interviews. He also made students aware about the different stages of placement process i.e. Aptitude Test (written or online), Technical Test (written or online), Group Discussion, HR Round (Personal Interview), and Technical Round (Personal Interview).

<b>Session: 3</b>	Extra and Co-curricular activities		
<b>Date:</b> 24 October 2020	<b>Day:</b> 2	<b>Time:</b> 1.20 to 1.50	<b>Venue:</b> Microsoft Teams

### Summary of Session-3:

Devang Patel Institute of Advance Technology and Research (DEPSTAR) always inspire students for the overall development in academics and co-curricular activities. The main aim is to make the students more confident and to make them capable of having a better stand in society. Keeping this in mind Central Council of CHARUSAT always comes up with the events like Cognizance and Spoural to inculcate management skills, leadership skills, confidence, and team spirit. Total 96 students were present during the session.

Head of Council Mr. Divesh Patel gave step by step introduction of how the university works and how it incorporated different Event activities. He also introduced the CC Members of the Institute and the procedure to become a CC Member. He also made students aware about the roles and responsibility of CC Members. Healthy environment was created by senior volunteers.

<b>Session: 4</b>	Handprint for Sustainable Development

**Some Remarks / Suggestions:**

- ✓ A good overall program to start BE with great joy.
- ✓ I really enjoyed all the sessions. They were very informative and interesting. Learnt a lot of new things.
- ✓ There are no suggestion still sometimes there is network issue so I prefer offline mode.
- ✓ Overall it was a perfect commencement program I got to know lot of knowledge about the studies and other moral values. It was a perfect program as there was no problems to us while having sessions.
- ✓ No Change needed. One of the best services you provided to us!
- ✓ An excellent start for a new chapter of Life.

## A report on Orientation program for First Semester B. Pharm students

6th – 10th August 2019

The orientation program is an opportunity for any student to learn, how to navigate the campus and will introduce Ramanbhai Patel College of Pharmacy (RPCP). Orientation can be used to build a network of resources that will help students and their parents to start their RPCP journey in a better manner on the right path. This academic year the orientation program for B. Pharm students was held during 6<sup>th</sup> – 10<sup>th</sup> August 2019 at the Auditorium Hall. It was started with the welcome address by our Principal, Dr Manan Raval. He introduced them with RPCP along with the milestones achieved by the institute so far. In his speech he also threw light on accomplishments the CHARUSAT (Charotar University of Science and Technology) has achieved. Followed by this, students were oriented by course structure, academic regulation, academic calendar, exam and grading system by various faculties of RPCP. Moreover, they were also introduced to various cells and facilities available at RPCP along with faculty details. A separate session of counselling was covered for the students by the Head, HRDC, CHARUSAT that introduces them about the counselling process to be taken place while they have any problem. It was found that the pioneering students do have language problem in the initial phase of course handling. Hence, this time a bridge course was introduced that has covered many topics in detail pertaining to listening, writing and reading of english language. This course was handled by expert faculties of Indukaka Ipcowala Institute of Management. During this course students were taught about the use of english while daily conversations, listening, presentation and letter writing. Post this exercise students were given different tasks of listening, writing, reading and presentation as a part of their evaluation. At the end of this course, to know their views about the program, they were asked to fill the feedback form which was collected and analysed.

Dear All,

As you all know that we are starting our academic year 2019-20 from tomorrow and with this regard we are celebrating commencement day. Please find the programme flow for the commencement celebration. Also, I request to all HoD to prepare syllabus, teaching scheme and regulation handbook for the students before coming Saturday so that we can handover to the students.

I am sure that so far you have done well so far for the students and institute and I am very much sure that you will do better year on year.

I wish you all the best

With regards

Darshan

Devang Patel Institute of Advance Technology and Research (DEPSTAR) always inspire students for the overall development in academics and co-curricular activities. The institution is devoted to intellectually vibrant atmosphere of research and imparts education in learning of sciences.

Soft Skills Training was organized for the students of final year students for developing and inculcating soft skills among them. The workshop aimed at motivating the students to become forbearers of soft skills and then they will cultivate it amongst the students, which is prime need of time. the platform of FDP. We organized various lectures, training sessions, panel discussions

there was also the active support from, the Principal and HoDs and faculty members of other departments too.

Mr. Maulik Bhansali and Mr. Umesh Rateja took the session on 23<sup>rd</sup> Oct 2020. Mr. Maulik revealed seven reason of being a coward public speaker & also explained methods to overcome it. One of them is ‘kill the fear first’ which he experimented on each participant. He said we have two options first FEAR = Face Everything and Rise & second FEAR = Fear Everything and Run.

Mr. Umesh said English is a very easy language to learn, in fact, we have made it difficult. He says that we can learn any new language at any stage of life. For that we must not start with grammar but with LSRW = Listen, Speak, Read & Write. He remarks a child learns its mother tongue by imitation only and not by the study of grammar. So he advised to fallow this natural method learning any language. This session, he started with psychological & reasoning tests & went on explaining its decisive role in developing interpersonal relationship. He says that to develop healthy interpersonal relations, one must help others, listen them, thrust, communicate, take care, be good critic & don’t be too much practical. Lastly, she conducted a group activity in which she assigned us to enlist five good and bad points of our institutes

Department of Computer Engineering, Devang Patel Institute of Advance Technology and Research (DEPSTAR) hosted an expert talk on “Creative Thinking” on 21<sup>st</sup> October, 2020 in association with IEEE. One of the main goals was to make students aware about how to develop creativity and enhance creative problem-solving skills. The Expert talk was structured in such a way that all the topics which were necessary for a newbie to start learning about this area were covered.

The main aim was to focus on creativity and innovation as it is important because most problems might require approaches that have never been created or tried before. It is a highly valued skill to have individually and one that businesses should always aspire to have among their ranks. The word creativity means a phenomenon where something new is created. Keeping this in mind, Devang Patel Institute of Advance Technology and Research (DEPSTAR), a constituent of CHARUSAT had organized an expert talk on “Creative Thinking”. The Expert Talk was coordinated by Ms. Radhika Patel.

The expert talk was delivered through Google Meet platform. There were total 123 participants present in the expert talk. Students of DEPSTAR (3<sup>rd</sup> semester of IT, CE and CSE dept.) and faculties from other institutes attended the expert talk.

By the end of the expert talk, the participants got familiar with various ways to develop creative thinking and enhance creative e problem solving skills. Dr Shruti Patil explained the concept very well and fulfilled the aim to provide an ideal opportunity to familiarize students with the concept of Creative Thinking.

**About the speaker:** Dr Shruti Patil is currently working as Assistant professor at Symbiosis Institute of Technology. She has a knowledge on implementation specific core subjects such as cloud computing, databases and OS. Her research domains are data privacy, Adversarial machine learning, sentiment analysis and applied AI. A total of around 20 publications are to her credit.

Thus, ma'am is a perfect blend of industry expertise coupled with deep research insights and conceptual clarity coupled with a practical orientation.

**HS133-Creativity, Problem Solving and Innovation**  
**(2017-2019)**

**Preamble**

A Course on **Creativity Problem Solving and Innovation** is offered by CHARUSAT under **Dr. Anil and Asha Patel Endowment Chair**. The same was approved by *Board of Management and Governing Body*, CHARUSAT. The Course Structure of Humanities and Social Sciences has been found to be the suitable for the course as it consists of Courses taught across the University under many categories including University Core Courses. In the academic years of 2017-18, 2018-19 and 2019-20, the course had been offered to the students of **Fourth Semester** at Under Graduate Levels across the university.

**Course Objective**

The course objectives are as follows:

- To impart Skills of Creativity, Problem Solving and Innovations among the learners.
- To train learners to deal with the contemporary problems and encountering it with the innovative and solutions.
- To make the learners aware of types and styles of Thinking, need for Creative Education in real life.
- To impart knowledge of visualization strategies like making thoughts visible, Mind Mapping, Scamper Technique, Lateral – Vertical – Divergent – Convergent Thinking, Logic and Reasoning etc.

**Brief about Dr. Anil S Patel**

Dr. Anil S Patel (USA) is an internationally acclaimed and renowned Multidisciplinary R&D Expert with experience of more than 55 years in USA.
