

Charotar University of Science and Technology [CHARUSAT]
Faculty of Technology and Engineering
Department of Mechanical Engineering

Program Educational Objectives (PEOs): Mechanical Engineering (UG Program)

PEO1. To develop students having sound technical knowledge and core competency in the field of mechanical engineering such as production, design, fluid and thermal engineering with the use of software tools to expand their knowledge and inculcate life-long learning.

PEO2. To train students having effective communication, leadership, problem-solving, decision making, team building and creative skills; contributing to their overall personality and career development.

PEO3. To develop students exhibiting professional and ethical responsibilities towards their peers, employers, and society.
