Dear Sir,

Warm greetings from Navrachana University!

This letter comes with a purpose to express our thanks to Charusat University. We share a common origin point as we were amongst the first four universities which came into existence by promulgation of Gujarat Private Universities Act (2009). You have been always forthcoming in sharing your experience, knowledge and Charusat policy papers with Navrachana University. We have had good information from Charusat regarding NAAC accreditation preparation for Navrachana University. Also in matters like admissions, recruitments, regulatory permissions, etc, you have been quite cooperative.

We wish the best for Charusat University.

Thanks and Regards,

Dr. Sandeep Vasant

**Subject: Expertise and knowledge sharing by Charusat**

Dear Sir,

We at Uka Tarsadia University (UTU) express our gratitude towards Charusat university for its readiness to share expertise, knowledge and resources with UTU. We share several similarities. Whereas Charusat is based in Janmabhoomi (birth land) of Sardar Patel, UTU is based in Karmabhoomi (Bardoli) of Sardar Patel. We both espouse ideals of Sardar Patel in serving society.

We have constantly obtained Charusat's guidance in university governance, accreditation and general development matters. Your staff members have always been supportive in our Ph.D. programmes, staff selections and other such endeavours. Similarly, our staff members have been contributing in similar matters. We could offer a course in Creativity, Innovation and Problem Solving to UTU students on behest of Charusat.

We look forward to our continued association for years to come.

Thanking you,

Yours truly,
