

Environmental Engineering Laboratory

Schedule-I Environment Auditor (GPCB Recognized, NABL Accredited)

M. S. Patel Department of Civil Engineering, CSPIT, CHARUSAT

Date: 02/02/2021

To
The Officer In-charge
Nandesari Environment Control Ltd., Nandesari

Subject: Disposal of hazardous and solid waste sample remains

Respected Sir,

The Environment Engineering Laboratory in its Environment Audit activity performs the hazardous waste sample analysis from GPCB allotted industries and TSDF sites. Some of the sample remains after analysis needs to be disposed of safely.

We hereby sending you the samples for safe disposal. The following are the details of the sample:

| Waste Description | Quantity |
|--------------------------|----------|
| Landfilling / TSDF Waste | 74.39 kg |

You are requested to do the needful and issue the bills for the landfilling of the above mentioned quantity on the name of Charotar University of Science & Technology.

Thanking you,

Gaurav Kapse
Environmental Engineer
