CHARUSAT

CHARUSAT is a State Private University with 7 Faculties, 10 Institutes, 4 Centers and 22 Cells offering about 72 different UG, PG & Doctoral Programs in Engineering, Pharmacy, Computer Application, Management studies, Applied Sciences, Nursing, Physiotherapy & Paramedical Studies. CHARUSAT is formed under Gujarat State Act No.8 of 2009 and is approved by UGC under Section 22 of UGC Act. We are the first State Private University in Gujarat to be awarded "A" grade by NAAC, Govt. of India, in 2016, in its very first cycle. Subsequently, in our next NAAC re-accreditation cycle in 2022, we were awarded "A+" grade. We are a proud member of United Nations Academic Impact and are also awarded as a "Centre of Excellence" by Govt. of Gujarat. CHARUSAT follows Honesty, Integrity and Transparency, the three basic principles in all its administration, academics and research.

MTIN

Manikaka Topawala Institute of Nursing (MTIN), a constituent of CHARUSAT, came into existence in the year 2009. Presently, we offer GNM, PBB.Sc., B.Sc., M.Sc. (in all five specialties) and PhD in Nursing. We are affiliated by INC, New Delhi and GNC, Ahmedabad and are awarded First Rank under Medical Category by Gujarat State Institutional Rating Framework (GSIRF) 2021, Govt. of Gujarat. MTIN is backed by a plan of 450 bedded Multispecialty Parent hospital, of which 150 beds are already operational. As a unique initiative, in 2014, we established a Nursing Research lab, a one of its kind in India. We consistently strive to prepare our students & teachers to excel on global platforms and this is made possible through world-class infrastructure, innovative teaching-learning activities and robust research facilities.

Objective of the Conference

- ▶ To explore the evolving concepts of midwifery in terms of education, practice and research.
- ▶ To comprehend the different dimensions of quality midwifery care to be provided by health systems.
- ▶ To advocate the independent midwifery practice in India by harnessing rigorous exclusive midwifery education and research.
- ▶ To optimize the empirical evidences of the impact of midwifery on survival, health and well-being of mothers and newborns.
