

# SCIENCE COMMUNICATION SERIES

P D Patel Institute of Applied Sciences,  
Charotar University of Science and Technology,  
Changa, Gujarat, INDIA.

In this era of Science, in the quest of the unsearched, a constant interaction between the researchers and the learners is essential for effectively communicating the highlights, discoveries and hurdles during their pathway of scientific discoveries. With this motto, Science communication (SCI-COM) series has been initiated at PDPIAS, CHARUSAT for the benefit of Graduate/Post graduate/Ph. D. students. SCI-COM series features scientific talks from young researchers /professionals in the form of seminars /webinars. The main theme of this series is to bring upon unique/diversity of early, mid career researchers and young entrepreneurs from esteemed Institutions/ Universities/ Industries globally, wherein they share their experiences and ways of communicating science. As a part of this, webinars will be scheduled on the second/fourth Saturday of every month @ 1:30 PM-2:30 PM in online mode. This will be a great platform for the students to interact and discuss with some of the young researchers/professionals for building up their scientific/professional carrier.
